

Go Stik

Power, Portability, and Style That *Stiks* Out

2x Temp Settings, 2x Satisfaction

Customize your experience and discover the perfect balance of flavor and strength in every inhale! Easily switch between 'Flavor' and 'Potency' modes using the intuitive slide switch. Enjoy the best flavors your favorite oil has to offer at a lower temperature or slide up to a higher temperature for more powerful hits!

2.8V

For truer-to-taste flavor

3.2V

For larger, more potent clouds

Embrace Stability, Enjoy Securely

Designed for true peace of mind, Go Stik showcases an exceptional anti-slip design combining an ergonomic shape with a matte finish that safeguards against rolls, slips, and falls from surfaces. Worry no longer about your vape rolling off the table and breaking!

The Perfect Cartridge Companion

Compatible with a wide range of cartridge options, Go Stik was designed to suit any preference! Whether you are a fan of smaller cartridges or love all things large, screw your favorite cartridge onto Go Stik and indulge in its seamless blend of style and functionality!
