CARTRIDGES NOT INCLUDED

A close-up, angled view of a black cylindrical device, likely a flashlight, with a USB-C port. The port is illuminated from within, showing a blue glow and the internal metal contacts. The device has a textured surface with some faint markings. The background is a light blue gradient.

# Effortless USB-C Charging

Compatible with any USB-C charging cable, the M4 battery provides enhanced convenience and makes charging a simple task!

# Full Metal Housing

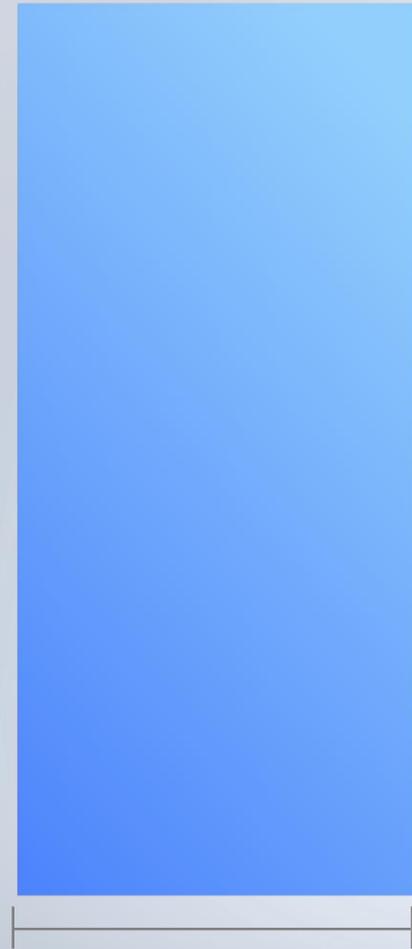

The M4 battery's housing is crafted from premium stainless steel, offering sleek style and exceptional durability.
